Our interim statement contains certain statements, statistics and projections that are or may be forward-looking. The accuracy and completeness of all such statements, including, without limitation, statements regarding the future financial position, strategy, projected costs, plans and objectives for the management of future operations of Electrocomponents plc and its subsidiaries is not warranted or guaranteed. These statements typically contain words such as “intends”, “expects”, “anticipates”, “estimates” and words of similar import. By their nature, forward-looking statements involve risk and uncertainty because they relate to events and depend on circumstances that will occur in the future. Although Electrocomponents plc believes that the expectations reflected in such statements are reasonable, no assurance can be given that such expectations will prove to be correct. There are a number of factors, which may be beyond the control of Electrocomponents plc, which could cause actual results and developments to differ materially from those expressed or implied by such forward-looking statements. Other than as required by applicable law or the applicable rules of any exchange on which our securities may be listed, Electrocomponents plc has no intention or obligation to update forward-looking statements contained herein.
